

## 87th Bradner May Day Parade

The Bradner May Day parade was held on May 22nd. Though the weather wasn't its usual bright and sunny self, the spectators that were there enjoyed the parade. And of course our mascot Payday showed up. Everyone loves Payday!

## Credit Union BBQ

The Credit Union BBQ is being held **Thursday June 15th** at the credit union. Come out and enjoy a hamburger and drink. Our master chef (who also doubles as the credit union chairperson) spends all day toiling over the BBQ. It starts at 10:00 am and ends at 4:00 pm.

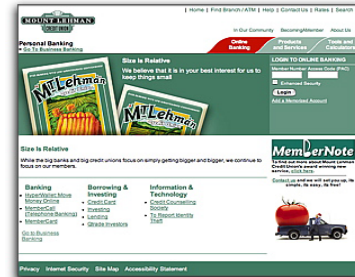

## Bursary Winners

## MemberDirect Integrated

You may have noticed the new look and feel of our internet banking product. The old interface had been with us for a number

of years and served us well. We moved to a brand new MemberDirect interface in April and to date the response has been very positive. There is more information available to view and it is much easier to use. With the new interface we will be able to offer new products and services through MemberDirect not available before. If you haven't tried it, please come into the branch and we can give you a quick demonstration and sign you up. It is simple, easy and free.
