There really isn’t a better community to live in than Mount Lehman, and the credit union is an integral part of that. I’m excited to serve the members to the best of my ability.”

Both Don and Carryl bring a wealth of business and local community knowledge to the table. We are thrilled to have them serving on your board of directors.

Would you like to serve your credit union?

The board of directors is your voice at Mount Lehman Credit Union. The board consists of seven directors and oversees management and provides strategic guidance to the credit union.

All board seats are currently filled, but we are always on the look out for those that are interested in serving in the future.

The ideal candidate is committed to keeping our credit union strong and independent, has business and life experience, and has time to serve. Does that sound like you? If so, please reach out to Dawn Collins at the credit union at 604-856-7761 or dawn.collins@mtlehman.com.

Thank you for your service Eleanor O’Connor

After three years of service, Eleanor O’Connor has resigned from the board of directors. Eleanor relayed this message, “Increased demand related to my corporate role prevents me from meeting my board obligations. My thanks to the board and the extraordinary team at Mount Lehman Credit Union for their exceptional contributions which are meaningful and worthwhile to all.” Thank you Eleanor for your service—we appreciate your contributions.
